Meet Her..... 5 mins

After graduating university in French Studies, Louise started working in Investment Banking at Nomura and was able to use the French degree as she managed French clients for 12 years. She then had a slight career change and moved to ION where she now managed clients who use our systems for trading.

Discuss:

- ★ What do you think of Louise's job?
- ★ Do you know any French words?
- ★ If you could speak another language, which one would it be?

Mains 20 mins - choose ONE only

MAKE..... 20 mins

Ingredients: Pen and paper or somewhere to take notes.

Louise is a Technical Account Manager at ION Group, at ION, they develop software to help companies with decision making. In this activity we will do some decision making of our own so we can see how hard the software has to work.

Scenario: You are stranded on a desert island, you can only take 3 objects with you. Which 3 objects are you taking? Think about...

- ★ What are you going to eat/drink?
- ★ Where will you sleep?
- ★ Is there anything in nature that will help your survive?
- ★ If your object uses batteries where will you find new batteries?

You can't take any people with you, but there are lots of trees and bushes on the island. Write down your 3 objects and why they are useful.

EXPLORE..... 20 mins

Ingredients: internet access & adult supervision.

Louise has worked in investment banking in the past, in this activity you will learn more about investment banking in a computer simulator to try and make as much money for yourself as possible. You might need an adult with you to explain some of it, but have a go at this game and see how much money you can make. [Find the game here >>](#)
