**Meet Her**..... 5 mins

Sheree Atcheson has been recognised by Computer Weekly as one of the Most Influential Women in UK Tech. She was involved with establishing UK expansion of Women Who Code. She also established "I am Lanka", a project set up to champion role models from Sri Lanka.

**Watch:** [Meet Sheree here](#) (stop at 2:538)

**Discuss**..... 3 mins

- ★ What do you think of Sheree's job?
- ★ Sheree loves her dog, Alfie - do you have any pets? What pet would you like to have?

## Mains 20 mins - choose ONE only

**MAKE**..... 20 mins

**Ingredients:** Internet access.

Sheree is a Director of Diversity, Equity & Inclusion so in this activity you will show how diverse STEM is. Head to Scratch [here](#), and Create a new project. Create a Sprite that will tell the audience all about Sheree or another female STEM role model who you admire. Try to include:

- ★ The different companies she has worked at.
- ★ Why you think she is a great role model.

Towards the end of the session, you can show your creations to everyone else so they find out about new STEM role models.

**EXPLORE**..... 20 mins

**Ingredients:** pen, plain paper, computer/laptop (optional).

Sheree established the 'I am Lanka' project to highlight more female role models from Sri Lanka. Head to [@iAmLankaOrg](#) on Twitter and choose one of the women in STEM to write about or make a presentation on. If you don't have Twitter, you can do your own research to find other female STEM role models from Sri Lanka to write about. Towards the end of the session, tell others about the woman you chose and why you chose her.
