bit.ly/stemillionsplaylist

Meet Her..... 5 mins

Jacqueline is the president of techUK, president of Digital Leaders and chair of the Institute of Coding. She is known for her commitment and leadership on diversity and inclusion, especially making the tech sector more welcoming to women. She holds several advisory positions at Accelerate Her, BigYouthGroup and she's a tech ambassador at the Girl Guiding Association.

Watch: [Meet Jacqueline here](#)

Discuss:

- ★ Jacqueline has worked with some big tech companies, if you could work for any company in the world, which one(s) would it be and why?
- ★ If you could invent any piece of technology to help the world, what would it do?

Upload photos on [Twitter](#) or [Instagram](#) and tag @Stemettes and #Stemillions.

Mains 40 mins - choose ONE only

MAKE..... 40 mins

You will need: pens, plain paper and colouring pencils.

You have met a lot of STEM-azing women in STEM so far. Create a poster on one or 2 of the women you have met. Try to include:

- ★ Their job
- ★ Why you like them
- ★ What company they work for

Towards the end of the session, show your posters or pin them up so more people can learn about these amazing women in STEM!

EXPLORE..... 40 mins

You will need: paper, pens, colouring pencils, a mobile phone.

Jacqueline has a very busy schedule to keep up with. Help out Jacqueline by designing an app to help her keep track of her busy life.

- ★ Firstly, think about what pages your app will have. What features would help Jacqueline the most?
- ★ Use, [this template](#) to start designing each page of your app.
- ★ Download the [Prototype On Paper \(POP\) app](#). Take photos of each of your pages and start connecting them together to create your final app.
- ★ Test out your app to see if it works.

Congratulations, you have just created the first prototype of your app.

Ask Away..... 2 mins

Got a question? Ask Away! bit.ly/Ask-Away

Digest..... 2 mins
