STEMillions

Shajida Akthar

First released Spring Term 2019

Starters *5-10 mins*

Announcements.. 3 mins
*Any upcoming local STEM events/competitions (check OtotheB), share club achievements and welcome new club members.*

Snack, Cackle & Pop............................... 2 mins
Snack: Granola bar, yummy!
Cackle:

There are 10 kinds of people in the world: those who understand binary code, and those who don't.

Pop: Stemillions Playlist: bit.ly/stemillionsplaylist

Meet Her.. 5 mins
Shajida is a Software Engineer at Accenture. She first started as an Apprentice after College. She was awarded the Accenture Apprentice of the Year Award 2018, along with the Rate My Apprenticeship Outstanding Higher/Degree Apprentice Award 2018.

Watch: *Meet Shajida in this video*

Discuss
- ★ *What did you think of Shajida's video?*
- ★ *What does a Software Engineer do?*
- ★ *What does Accenture do? (look it up)*

Mains *20 mins - choose ONE only*

MAKE...…............. 20 mins
Take a look at Accenture's website, www.accenture.com, and the Industries Accenture work in. Choose 3 industries and create a poster summarising how Accenture help companies in these industries. Post photos of your club's posters. Once this is done, Accenture created this quiz with Buzzfeed, give it a go here.

EXPLORE....................................…............. 20 mins
Take a look at one of the Software Engineer careers on the Accenture website (like this one here). You can see some of the different programming languages you need to know. Choose one and head to Codecademy to start learning. You can carry the lessons on at home - YAY!

Take photos of your club in action and post in MIghtyNetworks or on Twitter/Instagram (remember to tag @Stemettes or #Stemillions).

Desserts *5 mins*

Share with us .... 1 min
Upload photos of your MAKE or EXPLORE to MightyNetworks or Tweet/Instagram us @Stemettes.

Ask Her....................................... 2 mins
Post any STEM questions to the Agony Aunt Topic in MightyNetworks, we will pass these on to a woman in STEM to answer for you!

Digest.. 2 mins
Do #063 Digest on MightyNetworks or bit.ly/digest063 to get points to be in with a chance of winning certificates and prizes
