

Up In The Air

Primary Takeaway
(5 - 11 years)

Ever wondered what life is like up in the air? This menu will provide you with facts, advice, and stories all about aviation!

This menu has been created as part of DfT's Reach for the Sky programme. We'd like to thank our role models for being a part of these sessions.

As this menu is designed for little Stemettes, we recommend parental supervision for all activities.

Aviation Instagram Live

We spoke to role models from Virgin Atlantic.
60 mins // 15th May 2020
