

# Scratch

## PRIMARY TAKEAWAY MENU | 5-11 YEARS

Can you believe that Scratch (a Stemettes favourite coding resource) is celebrating its 15th anniversary in 2022? We've put together some STEMazing role models with Scratch projects for you to do.

### MEET LELLA

Meet Lella and create a Scratch game on your favourite woman in tech.

20 mins // Apr 1 2021

[READ HERE](#)

### MEET SHEREE

Meet Sheree and create a Scratch sprite for your favourite STEM role model.

34 mins // Aug 4 2020

[WATCH HERE](#)

### MEET KAMLAH

Meet Kamlah and learn how to code your own traffic light sequence in Scratch!

30 mins // Oct 1 2018
