Coding

SECONDARY TAKEAWAY MENU | 11-16 YEARS

The month of September celebrates National Coding Week and to celebrate we have put together some of our favourite resources for you to learn how to code!

CODE WITH GLITCH

Learn to code in HTML, CSS and more by remixing other projects and creating your own!

5 mins // 8 Oct 2019
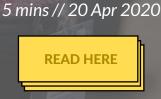

READ HERE

CODE WITH GENERAL ASSEMBLY

Learn the basics of web development through your browser and pre-set projects.

5 mins // 18 Nov 2019
